The Government of the Republic of Mauritius and the Government of the United Kingdom of Great Britain and Northern Ireland;

Desiring to conclude a further Protocol to amend the Convention between the Contracting Governments for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income and Capital Gains, signed at London on 11 February 1981, as amended by the Protocols signed at Port Louis on 23 October 1986, 27 March 2003 and 10 January 2011 (hereinafter referred to as “the Convention”); Have agreed as follows:

**Article 1**

Article 10 (Dividends) of the Convention shall be deleted and replaced by the following new Article:

---

**“Article 10  
Dividends**

(1) Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

(2) However, dividends paid by a company which is a resident of a Contracting State may also be taxed in that State and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State;

- (a) except as provided in sub-paragraph (b), such dividends shall be exempt from tax in the Contracting State of which the company paying the dividends is a resident;
- (b) where dividends are paid out of income (including gains) derived directly or indirectly from immovable property within the meaning of Article 6 of this Convention by an investment vehicle which distributes most of this income annually and whose income from such immovable property is exempted from tax, the tax charged by the Contracting State of which the company paying the dividends is a resident shall not exceed 15 per cent of the gross amount of the dividends other than where the beneficial owner of the dividends is a pension scheme established in the other Contracting State, in which case the exemption provided in sub-paragraph (a) shall apply.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

(3) The term “dividends” as used in this Article means income from shares, or other rights, not being debt-claims, participating in profits, as well as any other item which is treated as income from shares by the taxation laws of the State of which the company making the distribution is a resident.

(4) The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 of this Convention shall apply.

(5) Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other State, nor subject the company’s undistributed profits to a tax on undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in that other State.

(6) The term “pension scheme” means any scheme or other arrangement which:

- (a) is generally exempt from income taxation; and
- (b) operates to administer or provide pension or retirement benefits or to earn income for the benefit of one or more such arrangements.”
