MRA THANKS YOU

To celebrate its 5th anniversary, on 01 July 2011, the Mauritius Revenue Authority (MRA) organized a Blood Donation Campaign in collaboration with the Blood Bank at its Head Office, Port Louis, the Custom House, PATS and Airport. **A total of 637 pints of blood were collected.**

The Director General, MRA, wishes to express his gratitude and thanks to all the donors for having generously donated their blood to save lives as well as those who volunteered to give their blood but were not able to do so for some reason or the other.

Special thanks to the organising committee of the MRA, the staff of MRA, the personnel of the Ministry of Health and Quality of Life, the National Blood Transfusion Service, the Police Department, the Municipality of Port Louis, the Ministry of Local Government and Outer Islands, the Ministry of Agro Industry and Food Security, the Ministry of Environment and all those who have contributed in any manner to the success of the MRA Blood Donation Campaign 2011.

In line with the 'Maurice Ile Durable Concept', the MRA has offered a plant to all blood donors (a total of 1000 plants have been distributed); reminding them that giving blood means giving life.
