1. TAX DEDUCTION AT SOURCE

Tax deduction at source (TDS) has come into effect as from 1st October, 2006. Under this system, the payer is required to deduct tax at the time the payment is received by or credited to the account of the payee. This is similar to the PAYE system whereby tax is deducted by employer at the time emoluments are made available to the employee.

TDS is an advance payment of tax which the payee may offset against his tax liability for that income year. Any tax deducted in excess of the tax payable will be refunded to the payee.

The payments covered under this system are:

1. Interest, other than interest falling under Sub-part B of Part II of the Second Schedule, payable by any person, other than an individual, to any person, other than a company resident in Mauritius;
2. Royalties payable to any person by any person, other than an individual or a corporation holding a Category I Global Business Licence under the Financial Services Act 2007;
3. Rent;
4. Payments to contractors and sub-contractors.
5. Any sum paid to architects, accountants/accounting firms, attorney/ solicitor, barrister, engineers, land surveyors, legal consultant, medical service provider, project managers in construction industry, property valuers, quantity surveyors, tax advisers or their representatives as consideration for services rendered by them;
6. Payment made by Ministry, Government department, local authority, statutory body or the Rodrigues Regional Assembly on contracts, other than payments to contractors and subcontractors and payments to providers of services;
 - a. For the procurement of goods and services under a single contract, where the payment exceeds 300,000 rupees;
 - b. For the procurement of goods under a contract, where the payment exceeds 100,000 rupees; or
 - c. For the procurement of services under a contract, other than telephone, postal, air travel and hotel services where the payment exceeds 30,000 rupees.
7. Payments made to the owner of an immovable property or his agent;
8. Payment made to a non-resident for any services rendered in Mauritius;
9. Payment of management fees to residents and non-residents;
10. Payment to a non-resident entertainer or sports person.

The tax deducted at source is required to be remitted to the Mauritius Revenue Authority (MRA) by the specified dates as specified in S 111D of the Income Tax Act.
