Item: Collection Albums and Stickers

Description of item:

Albums designed in the form of printed booklet including pre numbered photo spaces to be completed by adhesive stickers.

Stickers are pictorial supplements accompanying the printed booklets are in packets of five random pictures. The packet is sealed and the buyer does not which pictures are contained in the packet.

Albums and stickers sold separately.

Often buyers may get two or more similar stickers which he may in turn exchange with other collectors in order to complete the album.

The photos as well as the spaces in the album are numbered.

The album is not educational as such as it is of interest only to a particular category of people interested in the specific collectors' album theme.

The album or stickers has no educational value even though it contains information and writings that convey very limited information but is of interest only to those doing collections.

Photo/Illustrations Example: Album Collection for FIFA 2006 Worldcup:
