

Ref: CG 07/04/09-10

**Item : Aluminium Tops**

**Description of goods:**

- Aluminium tops to be placed on top of drink or food cans.
- For permanent crimping onto the top of a can, the tops have raised edges for permanent crimping onto the top of a can.
- The aluminium top has an integrated incised flap to which a ring is attached at the end for ease of opening a can along the incised flap.
- The bottom surface of the top is coated with a protective /safe varnish suitable for contact with drink or foodstuffs.
- The aluminium tops can be of different sizes and shapes according to container on which to be placed as lid:
  - Round;
  - Oval;
  - Rectangular with rounded corners etc.
