

ANNUAL NPF/NSF RETURN

Private Household Employers (domestic service)

The Mauritius Revenue Authority (MRA) informs Private Household Employers that every individual who employs a person in the domestic service is required to submit to the MRA an annual NPF/NSF return giving the details of the employee. The facility for the submission of the annual return is available on MRA website: www.mra.mu The last date for the submission of the annual return for the year ended June 2019 is **31 July 2019**.

Where in a year, a household employer has submitted NPF/NSF returns on a monthly basis, he is **NOT** required to submit an annual return for that year.

Where payments of NPF/NSF for the months of July 2018 to June 2019 have already been effected, payments for the same months should not be made again. However, where payments have not been made or have been made for some months only, the payments for the unpaid months should be effected.

MRA strongly recommends household employers to use the Direct Debit facility to make payments.
