

# NOTICE TO PASSENGERS

## COMMERCIAL GOODS IMPORTED IN PASSENGER'S LUGGAGE

Passengers are reminded that all commercial goods in the accompanied luggage of a passenger shall be declared at the Red Channel at the SSR International Airport. The commercial goods shall be detained and transferred to PATS cargo warehouse for clearance purposes by Customs.

Passengers should ensure that all commercial goods are packed separately from their luggage/handbags containing personal effects in well secured suitcases or packages, with their names and addresses clearly printed thereon, so as to facilitate clearance from Customs.

Passengers are further informed that, as from **10 February 2026**, the freight amount to be included in the computation of the value of commercial goods in the accompanied luggage of a passenger, for duty purposes, shall be **USD 3 per kg or part thereof**.
