# NOTICE TO STAKEHOLDERS

### Cargo Community System (CCS) - Ocean Export Module

Stakeholders are hereby informed that the Ocean Export module will be launched phase wise. For the successful implementation of this important module, initially shipping agents are requested to submit to the CCS the following information:

- I. Schedule of the departing vessels from Mauritius (ATP).
- II. Confirmed Booking information containing a Booking Reference Number and the Outward Voyage number.
- III. A Container Announcement instruction Message (COPARN)

It is to be noted that the expected date of go-live of this project is 16 September 2013, therefore you are requested to provide the above information for testing purposes.

For any additional information, you may contact Technical Officer C. David on Tel 202 0500.
