Item: Paintball Pants

Description of goods

'Paintball pants' are trousers, which are designed to be worn during paintballing activity.

The trousers are made up of:

- a shell of woven fabric (70 % polyester and 30 % nylon),
- with water resistant coating,
- knit mesh fabric in the groin and inner thigh areas,
- a rubber back grip to keep the waist harness in place,
- a fiber joint above the knee to allow the trousers to stretch for easier movement,
- vents,
- front zipper closure with protective flap (left over right),
- adjustable attached belt,
- side slash pockets and leg patch pockets.
- textile padding in the groin and knee areas to provide protection from ground abrasions and paintballs.
