

REMOVAL OF VAT ON HAND SANITIZERS AND PROTECTIVE MASKS

The **Mauritius Revenue Authority (MRA)** informs the public that Value Added Tax (VAT) has been removed on the following products:

1. Hand Sanitizers,
2. Protective masks against dust, odours and the like, and
3. Other breathing appliances and gas masks, excluding protective masks having neither mechanical parts nor replaceable filters.

This measure has taken effect from 24 March, 2020.
