General Disclaimer on the Synthesised Text Document

This document presents the synthesised text for the application of the Agreement between the Government of the Republic of Mauritius and the Government of the Republic of Singapore signed on 19 August 1995 (the "Agreement"), as modified by the *Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting* signed by the Government of the Republic of Mauritius on 05 July 2017 and by the Government of the Republic of Singapore signed on 07 June 2017 (the "MLI").

The document was prepared on the basis of the MLI position of the Government of the Republic of Mauritius submitted to the Depositary upon *ratification* on 18 October 2019 and of the MLI position of the Government of the Republic of Singapore submitted to the Depositary upon *ratification* on 21 December 2018. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as "Covered Tax Agreement" and "Agreement", "Contracting Jurisdictions" and "Contracting States"), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

Article 4

RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting State":

(a) in the case of Mauritius, means any person who, under the laws of Mauritius, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature. This term does not include any person who is liable to tax in Mauritius in respect only of income from sources in Mauritius; and

(b) in the case of Singapore, means any person who is a resident of Singapore in accordance with the taxation laws of Singapore.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined in accordance with the following rules:

(a) he shall be deemed to be a resident of the State in which he has a permanent home available to him. If he has a permanent home available to him in both States, he shall be deemed to be a resident of the State with which his personal and economic relations are closer (centre of vital interests);

(b) if the State in which he has his centre of vital interests cannot be determined, or if he does not have a permanent home available to him in either State, he shall be deemed to be a resident of the State in which he has an habitual abode;

(c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident of the State of which he is a national;

(d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.

3. Where by reason of the provisions of paragraph 1 a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident of the State in which its place of effective management is situated. If its place of effective management cannot be determined, the competent authorities of the Contracting States shall settle the question by mutual agreement.

Article 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of the enterprise is wholly or partly carried on.

2. The term "permanent establishment" shall include:

(a) a place of management;

(b) a branch;

(c) an office;

(d) a factory;

(e) a workshop;

(f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources; and

(g) an installation or structure used for the exploration of natural resources but only if so used for a period of more than 9 months.

3. The term "permanent establishment" likewise encompasses a building site or a construction, installation or assembly project, or supervisory activities in connection therewith only if the site, project or activity lasts more than 9 months.

4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

(a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;

(b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;

(c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

(d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or for collecting information, for the enterprise;

(e) the maintenance of a fixed place of business solely for the purpose of advertising, for the supply of information, for scientific research or for similar activities which have a preparatory or auxiliary character, for the enterprise; and

(f) the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting on behalf of an enterprise and has, and

habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property, including income from agriculture or forestry, is taxable in the Contracting State in which such property is situated.

2. The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources. Ships and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

Article 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment including executive and general administrative expenses so incurred, insofar as they are reasonably allocable to the permanent establishment, whether in the Contracting State in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that contracting State from determining the profits to be taxed by such an apportionment as may be customary. The method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8

SHIPPING AND AIR TRANSPORT

1. Profits of an enterprise of a Contracting State derived from the other Contracting State from the operation of aircraft in international traffic shall be taxable only in that State.

2. Profits of an enterprise of a Contracting State derived from the other Contracting State from the operation of ships in international traffic may be taxed in that State. However, such profits derived from sources within the other State may also be taxed in that other State provided that the tax so charged in that other State shall be reduced by fifty per cent.

3. The provisions of paragraphs 1 and 2 shall also apply to profits from the participation in a pool, a joint business or an international operating agency engaged in the operation of ships or aircraft.

4. Interest on funds connected with the operation of aircraft in international traffic shall be regarded as profits derived from the operation of such aircraft, and the provisions of Article 11 shall not apply in relation to such interest.

5. For the purposes of this Article, profits from the operation of ships or aircraft in international traffic shall mean profits derived from the transportation by sea or air of passengers, mail, livestock or goods carried on by the owners or lessees or charterers of the ships or aircraft, including:

(a) profits from the sale of tickets for such transportation on behalf of other enterprises;

(b) income from the lease of ships or aircraft and the use, maintenance or rental of containers (including trailers and related equipment for the transport of containers), where such lease or such use, maintenance or rental, as the case may be, is incidental to the operation of ships or aircraft in international traffic.

Article 9

ASSOCIATED ENTERPRISES

1. Where:

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State; or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. **[REPLACED by paragraph 1 of Article 17 of the MLI]** [Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and where the competent authorities of the Contracting States agree, upon consultation, that all or part of the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement.]

[*The following paragraph 1 of Article 17 of the MLI replaces paragraph 2 of Article 9 of this Agreement:]*

ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

2. Where a [*Contracting State*] includes in the profits of an enterprise of that [*Contracting State*] — and taxes accordingly — profits on which an enterprise of the other [*Contracting State*] has been charged to tax in that other [*Contracting State*] and the profits so included are profits which would have accrued to the enterprise of the first-mentioned [*Contracting State*] if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other [*Contracting State*] shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of [*this Agreement*] and the competent authorities of the [*Contracting States*] shall if necessary consult each other.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State shall, if the recipient is the beneficial owner of the dividends, be taxable only in the other State.

2. The provisions of paragraph 1 shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares, "jouissance" shares or "jouissance" rights, mining shares, founders' shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

4. The provisions of paragraph 1 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are *paid* is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits even if the dividends paid or the undistributed profits consist wholly or partly of profits on income arising in such other State.

Article 11

INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State shall, if the recipient is the beneficial owner of the interest, be taxable only in the other State.

2. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purposes of this Article.

3. The provisions of paragraph 1 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

4. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

5. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such a case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 12

ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State shall, if the recipient is the beneficial owner of the royalties, be taxable only in the other State.

2. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films and films, tapes or discs for radio or television broadcasting), any patent, trade mark, design or model, computer programme, plan, secret formula or process, or for the use of, or the right to use industrial, commercial or scientific equipment or for information concerning industrial, commercial or scientific experience.

3. The provisions of paragraph 1 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

4. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base with which the right or property in respect of which the royalties are paid is effectively connected, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

5. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties paid, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such a case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing independent personal services, including such gains from the alienation of such a permanent establishment (alone or together with the whole enterprise) or of such fixed base, may be taxed in that other State.

3. Gains from the alienation of ships or aircraft operated in international traffic or movable property pertaining to the operation of such ships or aircraft shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

Article 14

Article 22

OTHER INCOME

Items of income of a resident of a Contracting State not dealt with in the foregoing Articles of this Agreement and arising in the other Contracting State may be taxed in that other State.

Article 23

ELIMINATION OF DOUBLE TAXATION

Double taxation shall be eliminated as follows:

1. In the case of Mauritius:

(a) where a resident of Mauritius derives income from Singapore the amount of tax on that income payable in Singapore in accordance with the provisions of this Agreement may be credited against the Mauritius tax imposed on that resident;

(b) where a company which is a resident of Singapore pays a dividend to a company which is a resident of Mauritius and which controls, directly or indirectly, at least 10 per cent of the capital of the company paying the dividend, the credit shall take into account (in addition to any Singapore tax for which credit may be allowed under sub-paragraph (a)) the Singapore tax payable by the first-mentioned company in respect of the profits out of which such dividend is paid.

Provided that any credit allowed under sub-paragraphs (a) and (b) shall not exceed the Mauritius tax (as computed before allowing any such credit), which is appropriate to the profits or income derived from sources within Singapore.

2. In the case of Singapore:

(a) where a resident of Singapore derives income from Mauritius which, in accordance with the provisions of this Agreement, may be taxed in Mauritius, Singapore shall, subject to its laws regarding the allowance as a credit against Singapore tax of tax payable in any country other than Singapore, allow the Mauritius tax paid, whether directly or by deduction, as a credit against the Singapore tax payable on the income of that resident;

(b) where such income is a dividend paid by a company which is a resident of Mauritius to a resident of Singapore which is a company owning directly or indirectly not less than 10 per cent of the share capital of the first-mentioned company, the credit shall take into account the Mauritius tax paid by that company on the portion of its profits out of which the dividend is paid.

3. For the purposes of allowing as a credit in paragraph 1, the tax payable in Singapore shall be deemed to include any tax which would have been payable as Singapore tax for any year but for any reduction or exemption of Singapore tax granted as tax incentives for the promotion of economic development insofar as they were in force on, and have not been modified since, the date of signature of this Agreement, or have been modified only in minor respects so as not to affect their general character, or for any other provisions which may subsequently be introduced, granting a reduction of tax which is agreed by the competent authorities of the Contracting States to be of a substantially similar character, if it has not been modified thereafter, or has been modified only in minor respects so as not to affect its general character.

4. For the purposes of paragraph 2, "Mauritius tax paid" shall be deemed to include:

(a) any amount which would have been payable as Mauritius tax for any year but for a reduction or exemption of Mauritius tax granted as tax incentives for the promotion of economic

development insofar as they were in force on, and have not been modified since, the date of signature of this Agreement, or have been modified only in minor respects so as not to affect their general character, or for any other provisions which may subsequently be introduced, granting a reduction of tax which is agreed by the competent authorities of the Contracting States to be of a substantially similar character, if it has not been modified thereafter, or has been modified only in minor respects so as not to affect its general character;

(b) in the case of income derived from Mauritius under Article 10, 11 or 12, a tax of 10 per cent of the gross income.

5. The provisions of paragraphs 3 and 4 shall apply for the first 10 years for which the Agreement is effective but the competent authorities of the Contracting States may consult each other to determine whether this period shall be extended.

Article 24

NON-DISCRIMINATION

1. The nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected. This provision shall notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States. However, this provision shall not be construed as obliging Singapore to grant to nationals of Mauritius those personal allowances, reliefs and reductions for taxation purposes which are available only to nationals of Singapore by law on the date of signature of this Agreement or which have been modified (including minor addition) thereafter only in minor respects so as not to affect their general character. The Governments of the Contracting States may agree to include any other personal allowances, reliefs or reductions for taxation purposes which may be introduced in the future in Singapore and which the two Governments consider as being consistent with the principles contained in this paragraph.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

3. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned State are or may be subjected.

4. Nothing in this Article shall be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

5. Where a Contracting State grants tax incentives to its nationals designed to promote economic development in accordance with its national policy and criteria, it shall not be construed as discrimination under this Article.

6. In this Article the term "taxation" means taxes which are the subject of this Agreement.

Article 25

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of this Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement.

2. The exemption or reduction in tax as provided under Articles 10, 11 and 12 shall not apply to persons incorporated under the International Companies Act whose income or profits are not taxed at the normal corporate income tax in Mauritius or any income tax comparable thereto.

3. It is further understood that where this Agreement provides (with or without other conditions) that income from sources in Mauritius shall be exempt from tax, or taxed at a reduced rate, in Mauritius and under the laws in force in Singapore the same income is subject to tax by reference to the amount thereof which is remitted to or received in Singapore and not by reference to the full amount thereof, then the exemption or reduction of tax to be allowed under this Agreement in Mauritius shall apply only to so much of the income as is remitted to or received in Singapore. However, this limitation does not apply to income derived by the Government of Singapore or any person approved by the competent authority of Singapore for the purpose of this paragraph. The term "the Government of Singapore" shall include its agencies and statutory bodies.

IN WITNESS WHEREOF the undersigned, being duly authorised thereto by their respective Governments, have signed this Protocol.
