## THE MAURITIUS REVENUE AUTHORITY CAUTIONS THE PUBLIC AGAINST A SCAM TO WHICH ITS NAME IS BEING ASSOCIATED

---

The Mauritius Revenue Authority (MRA) draws the attention of the public that its name, logo and contact details are being associated with correspondences allegedly issued by the MRA requesting for payments from members of the public.

The MRA hereby informs members of the public that it has not issued the aforementioned correspondences.

The public is hereby cautioned against giving money to any person who claims to represent the MRA and/or its officials or to have a financial relationship with the MRA.

The MRA is endeavouring to raise public awareness on the risks associated with such scams by providing, on its website, information on those scams.

The MRA brings to the attention of the public that it cannot be held responsible if its name, logo and contact details are misused in schemes intended to defraud members of the public. Should members of the public feel that they have been scammed, the MRA strongly recommends that they report the matter to the Police.

The public is also encouraged to bring to the MRA's attention any such information and suspect communication.

Should any member of the public have any doubts about the authenticity of an email, letter or telephone communication purportedly from, for, or on behalf of the MRA and/or its officials, please call on 207 6000 during working hours or send an email to [headoffice@mra.mu](mailto:headoffice@mra.mu) before taking any further action.
